

## **Job Opportunity**

Position: **Community Counsellor - Social Services**

### **Tasks and Responsibilities:**

Under the Canada Summer Jobs program, we are committed to providing youth with an early work experience that focuses on promoting equity and addressing barriers people face on the basis of sex, race, class, age, sexual orientation, gender identity or expression, religion, national or ethnic origin, mental or physical disability.

The successful job candidate will be given the opportunity to develop the skills needed to work with a broad range of people including those experiencing poverty, settlement challenges, domestic violence, mental health issues and substance abuse, post-traumatic stress, and other challenging life events.

You will be working specifically with seniors, women who have experienced abuse and violence and other vulnerable youth and adults to provide a wide range of services to support achieving their personal objectives while receiving thoughtful and competent supervision and mentoring.

We will introduce you to anti-oppressive practice, client centred strategies, and using a trauma-informed approach in service delivery.

Under direct and ongoing regular supervision, this candidate will:

- Assess client functioning, needs and referrals
- Provide crisis intervention to client as required, including referrals to crisis services and ensuring safety planning for women and children experiencing family violence
- Provide information on government benefits, services and dynamics of abuse and family violence
- Work with clients to set goals and establish a service plan to address needs
- Offer information on woman abuse, types of abuse, cycle of abuse and dynamics of abuse and family violence
- Provide interpretation and translation in Portuguese and English
- Provide advocacy, liaison with service providers and letters of support on behalf of clients
- Support clients in completing virtual applications for instrumental needs such as subsidized housing, financial assistance, pensions, etc.
- Utilize client database and update and maintain electronic records in a timely manner
- Work with the Program Manager to support research and evaluation processes
- Participate in staff meeting and special events as required

Hourly Wage: \$18

Total of 8 weeks, full-time, 35 hours per week.

Start Date: No earlier than May 6 and no later than July 8, 2024.
