June in Canada is a time for reflection and celebrating diversity. On the 21st, we honor National Indigenous Peoples Day, recognizing the history and resilience of the original peoples of this land. Simultaneously, we celebrate Pride Month, reinforcing that everyone is welcome, respected, and loved in our program, regardless of who they love.

Father's Day: A Toast to Experience

On June 21st, we celebrate Father's Day here in Canada. It is a time to honor the fathers, grandfathers, and father figures in our group who, with their wisdom, guide the new generations. We will have a special coffee gathering at the centre to mark this date!

Our National Team: Portugal in the 2026 World Cup!

The countdown is over! The World Cup begins on June 11th. Get your scarves and your voices ready to cheer for our national team. The Vida e Esperança Group will have live broadcasts of select games!
